FRANKIE & HENRY

Sing Along

Frankie leads the way, Henry's brave,
He'll never say "slow"
Through the wild they roam together
Small paws, brave hearts on the go

Frankie and Henry, here we go!
Big adventures, watch us grow!

Dusty trails and tall green grass,
Tiny tails wag fast as they run
Every hill's a brand-new mission,
Every day's a chase for fun

Frankie and Henry, here we go!
Big adventures, watch us grow!

From sunrise colours to starry glow,
Every new friend helps them know
Being kind is being strong,
Two little heroes singing along!

Frankie and Henry, here we go!
Big adventures, watch us grow!

Frankie and Henry, here we go!
Big adventures, watch us grow!
